Colour correction by photographer

Album Covers

Photographic Cover & Standard album covers included in the above prices. Opzione covers start at €20 extra, finishing with full acrylic cover @ €35

Album Box

Each album is supplied in a high quality box, black in colour. If a case is required we supply a black leather case or presentation box at cost price of € 40.

*These prices apply only when ordered with a main album .

It is the responsibility of the photographer when designing or selecting images for an album that each image is vetted for sharpness, expression on faces, eyes closed and overall quality. Quality check is carried out before binding, if something is obviously wrong, the customer will be notified and has the choice to change individual spreads at a cost of €15 per spread. When the album is finished it is not possible to modify or change pages.

The above products are manufactured in our laboratory at
